TUXEDO VOLUNTEER AMBULANCE CORPS

2026 ANNUAL FUND DRIVE • HOLIDAY APPEAL

1 Contractors Road | P.O. Box 726 | Tuxedo Park, NY 10987

Dear Friends, Neighbors,

Every call tells a story. Every response reflects a commitment. And behind every ambulance is a team of dedicated volunteers who give their time, their skills, and their hearts to be there when their neighbors need them most.

As another remarkable year draws to a close, we begin with two simple but deeply meaningful words: **THANK YOU!**

Your generosity, encouragement, and trust inspire us to continually strive for excellence in serving this wonderful community we are proud to call home.

2026 — A YEAR OF PROGRESS, PURPOSE, PRIDE & APPRECIATION

This has been a year of meaningful accomplishments and important milestones!

While proudly answering emergency calls (380+ this year and still counting!), we've remained focused on building a stronger future—expanding training, recruiting volunteers, and engaging the next generation through our Youth Corps.

We've strengthened community partnerships through standby coverage at local events and CPR training for residents, police officers, and firefighters. We've added lifesaving equipment, including a new LUCAS automated CPR device, an electric-powered stretcher loading system, and new uniforms. We also, with thanks to *an extraordinary gift from a generous supporter*, were thrilled to welcome our beautiful **NEW AMBULANCE!**

These milestones reflect the dedication of our volunteers, the kindness of our supporters, and the remarkable spirit of neighbors who come together to care for one another.

However, while we celebrate these achievements, we must recognize the responsibility of protecting our neighbors is never finished.

THE CHALLENGE AHEAD...

Rising operating and energy costs, necessary but deferred headquarters repairs, and planning for our next ambulance replacement present significant financial challenges. Meanwhile, emergency call volume continues to grow, with further increases expected as Tuxedo Reserve welcomes new residents.

More calls. More responsibility. A greater need for volunteers and **community support!**

24 HOURS A DAY. 7 DAYS A WEEK. 365 DAYS A YEAR. WHEN THE CALL COMES, WE ANSWER.

TVAC is a **VOLUNTEER** organization. Unlike Fire and Police, we are not considered an "essential service," and our operations are not a dedicated line item on your property tax bill. We rely on neighbors like YOU to help us remain prepared whenever the call comes.

Whether through a modest household donation or a major gift, your generosity helps us answer the call today and prepare for tomorrow.

We need your help and no gift is too small. **Every contribution matters and strengthens our ability to serve.** Smaller gifts help sustain our daily operations, while larger gifts can make a lasting impact through lifesaving equipment, facility improvements, and future ambulance purchases.

As a 501(c)(3) nonprofit organization, we can provide charitable donation acknowledgments and gladly accept gifts of appreciated stock.

Thinking about your legacy? Consider including TVAC in your estate plans through a charitable bequest—a lasting gift that will help us care for future generations of our community.

Here are just a few examples of what your donations help provide:

$20–100	$250–$300	$500–$2,500	$24,000	$350,000+
Hats, T-Shirts, Patient Care Supplies	Protective EMT uniforms, boots, and winter jackets	CPR training equipment	LUCAS automated CPR device	Future replacement ambulance

Please use the enclosed envelope to make your donation or scan this QR Code to donate online via Stripe!

Kindly retain this portion for your records.

WHEN EMERGENCIES HAPPEN, WE ANSWER.

WE ARE SEEKING DEDICATED VOLUNTEERS – AND THERE ARE MANY WAYS TO GET INVOLVED!

12-hour shifts, including weekday nights (7 p.m.–7 a.m.) and weekend days and nights (7 a.m.–7 p.m. and 7 p.m.–7 a.m.)

From playground accidents and injured hikers to serious breathing and cardiac emergencies, motor vehicle accidents, and mass casualty incidents, our volunteers train to respond with skill, compassion, and dedication. No emergency is too small to take seriously.

Volunteers are not required to remain at headquarters during their shifts and may respond from home or elsewhere within Tuxedo while on shift.

We also welcome Social Members to assist with community outreach, events, and fundraising, as well as young people (ages 15 to 17) interested in our Junior Corps.

We provide the training. You bring the time, the heart, and the desire to make a difference!

We would love to hear from you, answer your questions, and show you our operations firsthand. You can also support community preparedness by taking or hosting a CPR class with us!

Your support helps us continue providing the professional, compassionate emergency care our neighbors deserve.
