

## **Tuxedo Historical Society to present “The Sterling Forest Gardens Story”**

At 3 pm on Sunday, April 30, the Tuxedo Historical Society will host a presentation at its 7 Hospital Road location in Tuxedo, tracing the life cycle of Sterling Forest Gardens, a world-renowned attraction during its heyday some 50 years ago.

The program will be presented by Town Historian George Langberg, who not only experienced the Gardens as a visitor in its early years, but later worked there and helped design some of its features. His direct personal experience brings a unique perspective to the Gardens' story, which will be a "trip down Memory Lane" for long-time area residents and an informative piece of local history for more recent arrivals. Due to limited seating, reservations are highly recommended. Email [tuxedohistory@gmail.com](mailto:tuxedohistory@gmail.com) or phone 845-351-2926.
