

Town of Tuxedo Community Power
Village of Tuxedo Park Community Power
ELECTRICITY SUPPLY PROGRAMS
COMING TO TUXEDO

The Town of Tuxedo and Village of Tuxedo Park are exploring a community energy program to benefit their residents.

This community choice aggregation (CCA) program enables municipal leaders to leverage the purchasing power of residents and small businesses to negotiate more favorable terms on their electricity supply, protect consumers and choose renewable energy resources.

If the Town and/or Village selects an electricity supplier, eligible residents and businesses will receive a letter in 2023 with info about the program, their choices and info about how to opt-out.
