

# COMMUNITY SOLAR PROGRAM AVAILABLE TO TUXEDO RESIDENTS

## Support Clean Energy & Save Money!

July 16th & July 31st Info Sessions:  
Answers to Your Questions

Double down on your support for clean energy. This community solar program complements the Town of Tuxedo Power renewable electricity program. You can participate in both programs.

By participating in the Community Solar program, you accrue guaranteed savings on your electric bill, while supporting the development of new renewable energy projects. You also help the Town reach our goals for funding for climate action.

Subscribing is easy, with no separate bill and no exit fees. This is a way to benefit from solar without solar panels on your property.

Learn more about the community solar program at virtual events on July 16th and July 31st. Get answers to your questions!

### **Tuesday, July 16th, 7 pm**

Join online or by phone.
