The **Citizen Preparedness Corps** give residents the tools and resources to prepare for any type of disaster, respond accordingly and recover as quickly as possible to pre-disaster conditions. Citizen Preparedness Corps training began in February 2014 and is held at armories and other locations, such as the State Fair. Trainings are led by the New York National Guard, working with experts from the Division of Homeland Security and Emergency Services' Office of Emergency Management and Office of Fire Prevention and Control. All training sessions are coordinated with local county emergency management personnel. The training course will provide an introduction to responding to a natural or man-made disaster. Participants will be advised on how to properly prepare for any disaster, including developing a family emergency plan and stocking up on emergency supplies. A key component of this training is distribution of free NYS Disaster Preparedness Kits to all participants (one per family) containing key items to assist individuals in the immediate aftermath of a disaster. The state training and kits will help New Yorkers be the most-trained and best-prepared citizens in the country.

Tuxedo Volunteer Ambulance Corps & Tuxedo Union Free School UFSD will be hosting a Citizen Preparation BAG event on Friday, February 23, 2018 at the George F. Baker HS Auditorium. Event starts at 6:30 p.m. **One** bag per household
