Director Student Services/HR

SHAPING THE FUTURE OF OUR HIGH SCHOOL

Thank you for your participation in “Shaping the Future of Our High School” through our online survey and the Focus Groups during the week of October 22nd. Our PCG consultants have analyzed our community’s input and will be presenting a summary of major themes gathered from our community concerning our George F. Baker High School. This will take place at a **Community Meeting** scheduled for **Wednesday, November 14th** at **7:00 pm** in the **George F. Baker High School Auditorium**.

The purpose of this meeting is to provide a summary of the concerns, values and key questions provided by our community. It is also to answer some of the questions that were raised in Focus Groups by our community. Preliminary findings and early ideas, if possible, may be shared. The purpose of this meeting is also to provide a single meeting in a large forum to ensure a consistent, unified message to our community.

The purpose of this meeting is **NOT** to provide the final option for the future of our high school. Immediately following this Community Meeting, brainstorming of options along with the analysis of feasibility and sustainability will begin. This information will be shared with our community during the December/January time frame as originally indicated.

Childcare will be provided, if requested, during this two hour meeting by our High School National Honor Society students. If you will need child care, please call Nancy SanEmeterio at (845) 351-4799 so that this may be made available.

Please call Nancy SanEmeterio at (845) 351-4799 to confirm your attendance.

GREENWOOD LAKE UPDATE

Now that Tuxedo Union Free School District is a part of the Parental Choice option for the up-coming school year, there are three opportunities to showcase our George F. Baker High School to the current 8th grade Greenwood Lake students. These are:

1. November 15th – Our Administration, Guidance Department, Faculty and students will be providing a presentation to the current 8th grade Greenwood Lake students at the Greenwood Lake Middle School. This presentation will highlight our program, extracurricular activities and the uniqueness our high school experience.
2. November 27th – The Greenwood Lake 8th graders will visit our George F. Baker High School, tour the facilities and meet our faculty, staff and administration.
3. December 3rd – An Open House will be hosted for both Greenwood Lake parents and students to visit our George F. Baker High School, tour our facilities and learn about our high school.

The decisions for Parental Choice Model will be made by the current 8th graders of Greenwood Lake UFSD by the end of December. This Parental Choice will also be available to our current 9th, 10th and 11th graders for the remainder of their high school career.

In addition, the Greenwood Lake community will have the opportunity to provide feedback to our PCG Educational Consultants during three Focus Group meetings that will take place in Greenwood Lake on November 13th.

Sincerely,

Carol A. Lomascolo
Superintendent of Schools
