

Spring Hike this Sunday, 04/03/22 1:00pm

Meet at Murphy Field. Destination: "The WashTubs"

SPRING HIKE: George Langberg and Brad Anesi will lead us from Eagle Valley to the recently discussed famous Washtubs! Long before people had pools in Eagle Valley kids swam in what they called the washtubs. George will give us some history about the area and I would bet a few stories of personal experiences.

FYI: This hike does have some difficult terrain.

All are Welcome!
