

From the Mayor's Desk

Dear Residents,

As you are aware, the next Village election is scheduled for Tuesday, November 3, 2026. This election will be to fill two Trustee seats that are presently held by Michele Lindsay and Jedediah Turner.

I learned today, in an unscheduled telephone conversation with the Orange County Board of Elections, that the petitioning period for an Independent Nomination began in April and that the filing period for Independent Nominating petitions runs from May 19 to **Tuesday, May 26 at 5pm**. The petitions must be filed at the Orange County Board of Elections, 75 Webster Avenue, Goshen, New York by that date and time.

The minimum number of valid signatures needed to qualify for the ballot is 18 registered Village voters.

I am attaching hereto a blank nominating petition for use by any resident interested in seeking the position of Village Trustee, which carries a two-year term.

For any questions, please contact the Board of Elections @ (845) 360-6500.

Marc
